AMAZING PO SI DOC!!

High yield lecture from Dr. Tamesis! Provided an excellent ppt, covered most topics, gives answering tips and very entertaining! Salamat po

Dra tamesis was very thorough with each question and i like the format of dissecting each and every possible answer

Thank you very much, Doc Linda. You are a legend! 🌻🌹

I appreciate Doc Tamesis for being both informative and cheerful during our lecture. She highlights key points and essential knowledge for the board exam, making the subject more manageable. May she continue to inspire and

Very high yield. Thank you so much po doc tamesis 💖

Doc thank you po talaga,  
sa totoo lang po eh  
nawawalan po ako ng pag-  
asa kasi pang third take ko  
na. Pero nung nag  
message po kayo sakin ni  
Doc Giron na meron po  
tayong review sa FEU,  
natuwa po talaga ako kasi  
feel ko po may chance pa  
ako kahit papaano. Marami  
din pong nagpasalamat sa  
akin kasi nag reach out po  
ako sa kanila para sa  
review. Yung invitation pa  
lang po na nareceive namin  
from you is a sign po na  
there is still a chance for  
us. Kaya hopefully po doc,  
mas mag tuloy tuloy pa po  
ang program natin.

And salamat po doc kasi  
ako po ang nilapitan nyo,  
out of the many people na  
pwede nyong makausap.

Aa
